

Prayer Partners needed for U.S. State Legislators in 2025

Sisters, Associates, Companions and staff are invited to volunteer to pray for two state legislators by name in 2025. Volunteers will be assigned to the legislators, who serve in state capitals. A letter will be sent to each legislator letting them know who is praying for them this year. [Sign up here](#).

The states we will be focusing on this year are: Arizona, California, Georgia, Illinois, Iowa, Maine, Maryland, Massachusetts, Missouri, Nebraska, New Jersey, New York, North Carolina, Ohio, Pennsylvania, and Rhode Island.

Prayer partner volunteers from these states will be matched with legislators in their own states, though not always from their own district. Volunteers from other states are welcome but will not be assigned to legislators from their home state. Sign up is beginning now. Prayer partner assignments will be made in January.

Volunteers are welcome to write a letter of support to their legislative prayer partners, although that is not required. Those who participated last year and sign up again will be assigned a new prayer partner for 2025. Please volunteer by completing this [form](#). If you have any questions, or would like an alternate way to sign up, contact Mike Poulin at mpoulin@sistersofmercy.org and include prayer partners in the subject line.
