

Please pray for:

- Chuck
- Let thy will be done unto me. I say yes, my Lord. Liz
- Bless my marriage and bless us with a child.
- Nadia at college – for peace in her soul and faith that she is in the right place in this phase of her life.
- Laura
- My children to find their vocations and for my husband to quickly finish his Ph.D. in Theology.
- Lilly who suffers from many health issues that she may find healing.
- My husband and family
- Increased faith for my family and that my children and grandchildren will come to love God more deeply.
- Sobriety and recovery for the women at *Recovery to Freedom*. Requested by Ebony Clemmons, RN
- Peter – my nephew that God will heal him from chest pain and that he'll be able to stop drinking and smoking cigarettes.
- Monica who is on transplant list for new lungs.
- Katie whose cancer has spread to her brain. She is a 40 y/o mother with 3 young boys.
- My son's spiritual & emotional healing and for my husband and son's relationship.
- My children to return to their faith and the conversion of their families.
- Victorine
- Elizabeth asks for complete healing of her lung cancer. She had surgery in Feb 2024, and a recent CT scan found another 3mm nodule. Praying it is not cancer.
- Lydia, a junior in High School who is facing challenges with type 1 Diabetes.
- For my family & for my emotional health that I am strong enough to go through whatever I'm going through.
- For my mom and my family and all the Hispanic communities for everything going on in our world.
- For Pope Francis to recover from pneumonia.
