**CALL NOW! Tell Your Representative:
Vote 'No' on the SAVE Act!**

**Dial 1-888-422-4555 to reach your Member of Congress.*

When you call, here's what you might say:

“Hello, my name is [YOUR NAME] from [YOUR TOWN]. I want to let [REPRESENTATIVE ___] know that I oppose the **Safeguarding American Voter Eligibility Act (SAVE Act, H.R.22)** because millions of eligible Americans--Indigenous people, newly married women, un-housed persons, and more--would be prevented from voting due to draconian documentation requirements.

As a NETWORK Lobby for Catholic Social Justice advocate, I'm concerned the **SAVE Act** would disrupt mail and online voter registration systems and threaten election workers--doing their civic duty--with severe penalties.

Congress must work on policies that enrich our communities, assist voters, and support democracy. Will [REPRESENTATIVE___] vote against the **SAVE Act (H.R.22)**?
